GO ANYWHERE

The all-new RAV4 delivers smooth, responsive performance wherever adventure takes you; offering easy starts and nimble navigation in the city, and stable acceleration and clear visibility on the highway, alongside superior control on winding roads thanks to enhanced body rigidity. When the pavement ends, its dependable off-road capability and strong towing power ensure you're always ready for your next getaway.

The RAV4 is built for effortless utility, making every journey easier from the moment you load up to the moment you arrive. Class-leading cargo space lets you pack gear like golf bags and surfboards with ease. Your RAV-4 is also equipped with the latest version of Toyota Safety Sense, making you safer than ever with enhanced pedestrian detection, blind spot monitoring and collision prevention for easy, safe parking and driving.

Trunk liner can be lifted up to access spare tire.

The RAV4 embodies the perfect fusion of SUV toughness and urban sophistication, evolving its iconic character with balanced proportions, bold styling and purposeful functionality.

DO ANYTHING

Built-in wireless charger.

Customize and style your new seamless digital dashboard, with built-in 3D lane visualization and an improved voice agent. Check the status of your journey with a fullscreen digital map fully integrated with Android Auto or Apple Carplay- a built-in wireless charging console means the tunes and directions don't stop coming. Passengers stay entertained with seamless media streaming, creating a comfortable, tech-ready environment for everyone on board.
